

CURRICULUM VITAE

Name: Dr Pratibha Panjiar nee Mahajan

Date of birth: 22nd October, 1980

E-Mail: pratibha.panjiar@gmail.com

Qualifications: MBBS, DA, DNB (Anesthesiology)

MBBS (2006, GRMC, Gwalior), DA (2008, GRMC, Gwalior), DNB (June 2012, VMMC and Safdarjang Hospital, New Delhi)

Present Affiliation:

Assistant Professor, Department of Anesthesiology, Pain Medicine and Critical Care,
Hamdard Institute of Medical Sciences and Research, New Delhi

Previous Appointments:

Attending Consultant (23/03/14 – 20/02/16): Max Smart Superspeciality Hospital, New Delhi

Resident (24/02/2009 – 11/03/14): Safdarjang Hospital, New Delhi

Assistant Professor (24/02/2016 and continues): Hamdard Institute of Medical Sciences and Research, New Delhi

Other Professional Appointments:

Course coordinator, BAOTT and DOTT, Hamdard Institute of Medical Sciences and Research, New Delhi

I have post PG **experience of more than 10 years** in Anaesthesiology, Pain and Perioperative Medicine and Critical Care. I have administered anaesthesia for various specialities like general surgery, obstetrics and gynaecology, orthopaedics, ENT, ophthalmology as well as superspecialities including neurosurgery, cardiac and thoracic

surgery, paediatrics, oncology, urology, plastic surgery, transplant surgery, GI surgery, bariatric surgery, joint replacements, interventional neurology and cardiac cath lab. I also participated in acute and chronic pain management.

I have special interest in AIRWAY MANAGEMENT, LABOUR ANALGESIA, REGIONAL ANAESTHESIA and GERIATRIC ANAESTHESIA

- I am a *certified ACLS Health Care Provider*.
- Participated in the *Revised Basic Course workshop, Sensitization Programme for Attitude, Ethics and Communication (AETCOM) module*, conducted by MAMC at HIMSR, New Delhi, 2018.
- Attended the training course on *Bio-statistical Analysis on SPSS and Research Paper Writing conducted by Bio-statics & Epidemiology Training Course (BETC), ICMR, Noida, 2019*.
- Participated in the *Curriculum Implementation Support Program* conducted by MAMC at HIMSR, New Delhi, 2019.
- Participated in online course on “Mechanical Ventilation for COVID – 19” organized by Harvard Medical School.
- *Reviewed articles for various journals* (details at ORCID)

Faculty Participation in Conferences / CME:

- Faculty at 1st Annual National Conference of YUVA ISA, 2020
- Faculty (Judge), CME: World patient Safety day, HIMSR, 2020
- Organizing secretary, CME: Anaesthesia Update 2020: Upcoming and Promising areas in Anaesthesia, HIMSR, New Delhi, 2020.
- Faculty, Workshops and Hands-On training in BLS, HIMSR, New Delhi 2019
- Organizing secretary, CME: Perioperative Patient Safety, HIMSR, New Delhi 2019.
- Guest speaker, CME: Block, No block, Unblock, Sharda Medical College, Noida, 2019.
- Faculty at 11th National and 1st International conference of the Indian College of Anaesthesiologists (ICACON), New Delhi, 2019.
- Faculty at ISACON, Agra, 2018.
- Organizing secretary, CME: Geriatric Anaesthesia, HIMSR, 2018.
- Faculty at Skill development workshop and refresher course of technology, HIMSR, New Delhi, 2017.

Presentations:

- Scientific paper “Difficult airway in geriatric patients: Prospective study comparing various airway predictors in predicting difficult laryngoscopy” presented in World Airway Management Meeting, Amsterdam, Netherlands, 2019.
- *Overall top 6 oral paper presentation* “A comparison of the thyromental height test with ratio of height to thyromental distance, thyromental distance and modified mallampatti test in predicting difficult laryngoscopy: a prospective study” at Society of Airway Management annual meeting 2018, Chicago, USA
- *Top 10 poster presentation* “Cervical epidural analgesia with general anaesthesia versus general anaesthesia alone for oral hypopharyngeal and laryngeal cancer surgeries; a randomized studies” at the association of anaesthetists of Great Britian and Ireland (AAGBI) annual congress 2018, Dublin, Ireland.
- Scientific paper “A comparison of the thyromental height test with ratio of height to thyromental distance, thyromental distance and modified mallampatti test in predicting difficult laryngoscopy: a prospective study” presented at the association of anaesthetists of Great Britian and Ireland (AAGBI) annual congress 2018, Dublin, Ireland
- Scientific paper “A prospective survey on knowledge, attitude and current practices of preoperative fasting amongst anaesthesiologists: A nationwide survey” presented paper in ISACON Agra 2018.
- Delivered a talk on “Challenges in Intensive Care Management of Acute Pancreatitis: Our Experience” in clinical meet, 2020, HIMSR, New Delhi.
- Presented a case “Pneumocephalus after epidural instrumentation” at monthly clinical meet ISA Delhi, 2015, Saket City Hospital, New Delhi.

Publications:

- A Kochhar, J Banday, Z Ahmed, **P Panjjar**. Cervical epidural analgesia with general anaesthesia versus general anaesthesia alone for oral hypopharyngeal and laryngeal cancer surgeries; a randomized studies. Journal of Anaesthesiology, Clinical Pharmacology 2020; 36(2):182-186.
- **P Panjjar**, K Bhatt, I Yousuf, A Kochhar. Difficult airway in geriatric patients: Prospective study comparing various airway predictors in predicting difficult laryngoscopy. Trends in Anaesthesia and Critical care 2020; 30: e84-e85.
- **P Panjjar**, A Kochhar, KM Bhat, MA Bhat. A comparison of the thyromental height test with ratio of height to thyromental distance, thyromental distance and modified mallampatti test in predicting difficult laryngoscopy: a prospective study. Journal of Anaesthesiology, Clinical Pharmacology 2019; 35(3): 390.
- **P Panjjar**, A Kochhar, H Vajifdar, K Bhat. A prospective survey on knowledge, attitude and current practices of preoperative fasting amongst anaesthesiologists: A nationwide survey. Indian Journal of Anaesthesia 2019; 63(5): 350.
- **P Panjjar**, A Kochhar, KM Bhat, MA Bhat. A comparison of the thyromental height test with ratio of height to thyromental distance, thyromental distance and modified mallampatti test in predicting difficult laryngoscopy: a prospective study. Anaesthesia 2018; 73: 96.

- **P Panjiar**, P Gupta, AR Gogia. A comparison of low concentration ropivacaine (0.075%) with fentanyl versus bupivacaine (0.05%) with fentanyl for labour epidural analgesia. International journal of contemporary medical research 6(5); E5-E9.
- A Kochhar, K Chauhan, **P Panjiar**, H Vajifdar. Gabapentinoids as a part of multimodal drug regime for pain relief following laparoscopic cholecystectomy: A randomized study. Anaesthesia, essays and researches 2017; 11(3): 676.
- A Kochar, J Bandy, Z Ahmed, **P Panjiar**. Cervical epidural analgesia with general anaesthesia versus general anaesthesia alone for oral hypopharyngeal and laryngeal cancer surgeries; a randomized studies. Anaesthesia 2018; 73: 94.
- M Jagia, MC Kapoor, **P Panjiar**. Pneumocephalus after epidural analgesia. Should loss of resistance with air be blown out? Journal of Anaesthesiology, Clinical Pharmacology 2016; 32(2): 272.

Thesis:

Epidural Labour Analgesia: A comparison of ropivacaine with fentanyl versus bupivacaine with fentanyl in low dose infusion

Professional Body Memberships:

- Indian Society of Anaesthesiologist: M1595
- Indian College of Anaesthesia: 932
- Difficult Airway Society: F1745
- Association of Anaesthetists of Great Britain and Ireland (AAGBI): 156225

Professional activities:

- Attended 67th annual national conference “Anaesthesia, Technology and Beyond”, Bengaluru, 2019
- Participated in 11th National and 1st International conference of the Indian College of Anaesthesiologists (ICACON), New Delhi, 2019.
- Participated in international conference “World Airway Management Meeting” held in Amsterdam, Netherlands, 2019.
- Participated in CME “Block, No block, Unblock” held at Sharda Medical College, Noida, 2019.
- Attended CME “Critical Care: A Paradigm Shift”, UCMS and GTB hospital, 2019.
- Participated in national conference “Expanding horizon beyond operating room ISACON” held in Agra, 2018.
- Participated in international conference at the association of anaesthetists of Great Britain and Ireland (AAGBI) annual congress 2018, Dublin, Ireland.
- Participated in international conference at Society of Airway Management annual meeting 2018, Chicago, USA.

- Participated in “Skill development workshop and refresher course of technology” HIMSR, New Delhi, 2017.
- Attended 64 th annual national conference of Indian society of anaesthesiologists held in Ludhina, 2016.
- Attended CME “The high risk cardiac patient for non cardiac surgery” Medanta, Gurgaon, 2014.
- Attended “cardiology update for residents” VMMC and Safdarjang hospital, New Delhi, 2013.
- Attended CME paediatric anaesthesia “Managing a difficult child” AIIMS, New Delhi, 2013.
- Participated in CME/workshop “ULTRACON: TEE/USG guided nerve blocks” VMMC and Safdarjang hospital, New Delhi, 2013.
- Attended CME “International symposium on Endocrine anaesthesia” AIIMS, New Delhi, 2013.
- Attended workshop and CME on Airway Management, MAMC, New Delhi, 2011.
- Attended 1st international conference on recent advances in anaesthesiology” AIIMS, New Delhi, 2009.
- Attended CME on Neurotrauma, GRMC, Gwalior, 2008.
- Attended 5th West zone conference, Nagpur, 2007.
- Attended CME Pain Blocks and Workshop on Regional blocks, Nagpur, 2007.
- Participated in annual conference of ISA, MP state branch, Gwalior, 2007.
- Attended CME “Anaesthesia Update” Bhopal, 2007.
